

2010 Club Service Offerings

Dear LFCC Member,

Welcome to the 2010 golf season (well almost).

With spring just a short chip shot away and many new members since this letter last year, I'll take this opportunity to explain this year's Club Service Offerings. Please be aware that these offerings are not included in your membership dues, but are available to those of you wishing to take advantage of these services. **Also, I am happy to announce that the Club Service Offerings listed below have not increased in price for 2010.**

First, I will explain the **Driving Range Programs** (of which there are three). All three programs offer the holder(s) to unlimited range ball use during regular driving range hours for the months of April – October (see below for details).

Also, if you wish, you may take advantage of the **Early Bird Savings** program by returning the sign-up sheet, or by notifying the Golf Shop by phone of your interest in any of the programs mentioned. **To qualify for the Early Bird savings you must be signed up by Thursday, March 25th.**

Please be aware that if you choose to sign up using the Sign-up sheet, **it must be returned to the Golf Shop; Do not send it to the remittance address with your Club payment.**

<u>Programs:</u>	<u>Early Bird Price</u> (must be signed up by 3/25/10)	<u>Regular Price</u> (sign up after 3/25/10)
Single Range Club * (Individual user)	\$150.00 (save \$10)	\$150.00
Double Range Club * (any two people from the same family at the same address *)	\$235.00 (save \$25)	\$260.00
Family Range Club * (all family members living at the same address *)	\$270.00 (save \$30)	\$300.00

If you choose to pay as you go, the prices per bag will be as follows:

Large Bag (about 46 balls) \$5.00 **Small Bag** (about 25 balls) \$3.50

We will, again, limit the number of bags of balls you may take up to the range at one time to two bags. You are welcome to return to the Golf Shop for additional bags if desired.

*** All Range Club members must meet Club By-law eligibility requirements**

Once again this year will be the implementation of “limited flight” white balls for use with woods. These balls will appear to have a normal flight, however, will only travel about 80-85% of that of a regular yellow ball. We hope that this will diminish the safety concerns we have with range balls traveling into the 9th fairway.

- Please see the back of this page for Club Cleaning & Storage offerings -

The **Club Storage & Cleaning** programs enable you to leave your clubs at the Golf Shop for the season beginning April 1st and concluding in November (no more lugging your clubs back and forth). Your clubs will be cleaned after each time you come out to play or practice.

<u>Programs:</u>	<u>Early Bird Price</u> (must be signed up by 3/25/10)	<u>Regular Price</u> (sign up after 3/25/10)
Single Storage & Cleaning (any single bag)	\$90.00 (save \$10)	\$100.00
Double Storage & Cleaning (any two bags from the same family living at the same address)	\$165.00 (save \$20)	\$185.00

Please be aware that the driving range will open (weather permitting) in early April. Additionally, we will accept bags for Club Storage & Cleaning beginning April 1st.

Looking forward to a fantastic season at LFCC.

Sincerely,

Timothy J. Buscombe
